I agree I am responsible for all medical expenses I incur at RPA regardless of what my insurance carrier decides or reimburses. If any overpayment of my account, a refund will be issued or credit to future visits.

I authorize the physician/therapist to provide treatment as is necessary.
I authorize release of medical information to my primary physician.
I authorize the release of medical information to my insurance carriers.

I understand RPA is an interdisciplinary group practice where clinicians share medical records and on-call responsibilities. I understand my clinicians may recommend the services of another RPA clinician to collaborate, consult, and/or coordinate my care.

I understand that in so doing, clinicians need to share information about me. The clinicians and staff at RPA do not, as a routine, accept e-mail. Each clinician may choose to make exceptions. Should this occur, then this agreement acknowledges this arrangement and will be a part of the clinical record as will copies of all the e-mails. All phone calls are part of the record.

I understand that I must give a 24 Hour Notice for cancellation of appointment weekdays and Friday by 12:00 noon for Monday or I will be charged a regular fee. I have read and understand and so indicate.

I authorize my insurance benefits to be paid directly to the designated physician or therapists if they are participating and in network.
